a&b moments...

I wanted to write you to let you know about my experience today at CEC in Johnstown, PA. I have both of my kids parties there every year and the past few times we had a girl named Ally take care of us. While she always does a great job, today she was even more amazing than usual. We had my daughter, Gabriella's 2nd birthday party there today from 2-4 and this time I brought my nephew who is 19 years old. My nephew is autistic and has the mentality of a child. Most people get very frustrated with him or you can see in their facial expressions how much he annoys them. But today, Ally was amazing! I often get nervous about taking him out because if he feels uncomfortable he freaks out and has to go to the hospital. Ally was very patient with him and helped him learn how to use the play points (last time he was at a CEC he still needed tokens). She also helped him get his drink, which I guess is her job but we never knew that as we always got our own drinks. Never even crossed our minds to have someone get them for us, we would never expect that. I just wanted to let you know how amazing she is! Maybe it is her job to do that but she is far better than any other person we have encountered anywhere! She's definitely a keeper and deserves a raise or something. I hope that you at the corporate office really take the time to read this message and praise her in some way. As someone who works in a corporate restaurant as just a server, believe when I say that even just a small recognition from the higher ups means so much to us. Thank you again for hiring such an amazing girl!

Chuck E. Cheese is my daughters favorite place to go. It's our tradition to go on the last day of school. We had several friends with us, we ordered three pizzas. When you're dealing with ten kids, it can be a challenge to order since kiddies are generally picky. The staff at the memorial location were very friendly, patient, and helpful while we sorted it all out. Thank you!

Hello, I am writing to say how much Chuck E. Cheese means to me and my family. I had my birthdays here as a child and my nieces and nephews birthdays at Chuck E. Cheese. To me it represents family like no other company can. I have so many fond memories here and now I can share them with my 2 year old daughter. The food is outstanding, my favorite being the amazing salad bar. The entertainment from Chuck E. to all the games we just absolutely love it here. I know most people write about a complaint, etc. but I just wanted to write and say how awesome you guys are and the great job ya'll are doing in family's lives. Thank you keep it up, I will always support.

Lemon Pepper & Garlic Parm wings

As your 3rd Quarter LTO gears up, it is now time to wrap things up with our current LTO, the Lemon Pepper and Garlic Parmesan Wings. Please follow the following guidelines to help make this transition as smooth as possible:

- Leftover product – please continue to offer these flavor wings until your product is depleted.
- All OPCO's are depleted of product so there will NOT be any drop shipments
- Alternate register toppers with Q2 LTO and Q3 LTO if you are still offering them to deplete your product. Once product is depleted, replace all register toppers with your Q3 LTO.

If you have any further questions, please reach out to your Regional L&D Manger at learning@cecentertainment.com

FACILITIES

CORRECTION ON CLEANING SPRINKLER HEADS PROCESS

If cleaning of sprinklers is an option in your jurisdiction, the following step can be taken:

1. Take a standard computer cleaning canned air sprayer and gently spray off entire surface of the fire sprinkler head.
 - Avoid turning the canned air upside down as liquid will spray out and possibly damage the sprinkler.
 - Maintain a safe distance from the sprinkler.

DO NOT USE A VACUUM or any other items that could pose a safety risk to guests or Cast Members.
